

# Archuleta County Republicans 2026 Resolution

Whereas: Currently, unaffiliated voters are allowed to participate in primary elections and to vote for their preference of our Republican candidates; and this is unfair process which allows a voter not affiliated with our party to affect which GOP candidates will appear on the ballot.

Therefore: Be it resolved that Archuleta County Republicans demand closed primary elections in our county. (Only registered Republicans can vote in a Republican primary)

\_\_\_\_\_ Passed (Need 50%+1 of vote) Failed \_\_\_\_\_ Yeas \_\_\_\_\_ Nays\_\_\_\_\_
